The main event of the week was the homecoming coronation and the homecoming game itself. Our team played well, but unfortunately was defeated by Yerba Buena by a score of 14-8.

Halloween 1982

This year's Halloween was fantastically amazing! Much of the student body dressed up in costumes that were totally outrageous. It was a fun filled and fascinating day at James Lick. There was a rally during lunch, and a contest was held to see who had the most unique costume. There was a tie between Death and Zano. Death earned the title for most original costume, and Zano got the special effects award.

B.S.U. QUEEN

Mrs. Youngblood, BSU Advisor

Stephanie Walker and Joann Cummings taking care of last minute details.

This year's 1983 B.S.U. queen was Miss Carol Allen. "Bunny" who was escorted by Hung Vu, is very active in school as both an athlete and cheerleader. Congratulations to a very talented and pretty young lady!

The Black Student Union gave an outstanding program to crown its B.S.U. Queen. The assembly began with Cheryl Jones, Detra Murphy, Cynthia Hall, Jose Sarbia and Cindy Benevides performing a skit entitled, "Time Zone," which featured the long gone dances of the 20's and 50's up to popular dances of our modern era. Gospel artists, Danniebelle Hall and Patricia and Karen Jackson each sang a beautiful song, and Monica Cooper, Harold Summery, and Theo Rock surprised the crowd by stepping out of the audience and portraying famous Black Americans.

The B.S.U. put a great deal of time and effort into this presentation, and it showed. The assembly went on smoothly and beautifully. Well done B.S.U.

CROSS COUNTRY 1982

The Comets started the year by easily defeating Silver Creek by the score of 21-37. This was the meet we had been pointing for as we thought they had the best returning team in the league.

The 2nd week was reserved for Independence, the Comets again prevailed 23-33. The third, fourth week and fifth week were easier than the first two. Lick was now 8 and 0 with only Overfelt and Mt. Pleasant remaining.

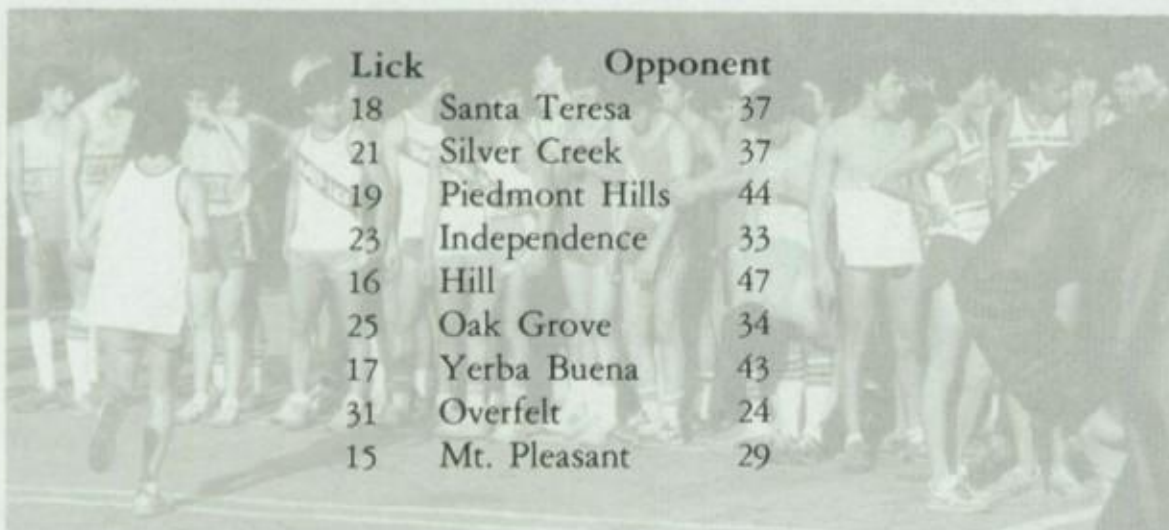

Overfelt, this was a hard tough competitive race in which our first two and Overfelts first two runners were equal! Overfelt's depth was better than ours and we suffered our first loss in 3 years.

Mt. Pleasant provided little competition as the Comets prevailed 15-49.

League finals, our chance to get even! With Adam Flores and Greg Machado running first and second for Lick, as they had done all year, the Comets won the league finals scoring 63 points. Jesse Valenzuela placed 16th, Dan Martinez 17th, Mike Guzman 19th and Graham Clark 21st.

Denise Gilbert, sophomore, was our ace server; Sandra Gutierrez, senior, our ace hitter; and Paulette LoMonaco, senior, our leading scorer.

Team awards were given to Linda Whitlach, Most Inspirational player; and Paulette LoMonaco, MVP. LeeAnne Blanton and Angela Booth were the other members of our team.

Blessed with three returning starters and a committed group of athletes, the Comets had an enjoyable, exciting, yet frustrating season. The pre-season ended with JL having a 5 won - 3 loss record and eagerly awaiting league play. Unfortunately, close losses to Independence and Piedmont Hills knocked the Comets out of contention for the MHAL crown. The highlight of the season came when Lick beat arch-rival Mt. Pleasant 48-45, thus eliminating them from title contention. This victory also clinched a winning season. The final season record was 11 wins 10 losses.

Leading the Comets this year was 6'6 center Rich Wilson, who averaged 19 points and 10 rebounds a game. Rich also made 1st team-all-MHAL and ALL-Tourney in the JLIT. Point guard Tony Arce, second team all leaguer and ALL-JLIT selection, led the team in assists, and steals, while averaging 12.5 points per game. The third returning starter from the previous season was Tony Johnson, who also had several fine all-around performances and finished with a 9 point per game average.

Standing: Brian Arce, Rod Calloway, Ted Cuglieta, Matt Hungerford, Joel Wilson, Jess Valenzuela, Coach Duus, Kneeling: Iron Neal, Tony Serrano, Chas Herrera, Bret Fontaine, Junior Talamentez, Derick Oliver, Hung Vu.

Coach Duus

In a very talented Mt. Hamilton frosh-soph division, the Comets did not fair well statistically. The team showed improvement in each game, but the lack of consistency had a telling effect.

Most of the team will be moving to the varsity next year. Junior Talamentez, a freshman, was the Most Valuable Player and will see a great deal of action at the varsity level. Sophomore Matt Hungerford at 6'5" will be depended upon to hold down the post position with the varsity. Derek Oliver, Tony Serrano and Tony Castaneda, on occasions, also showed potential for varsity play.

This was a team that worked hard and never gave up. We shall be looking forward to seeing continued improvement as these young men represent James Lick with pride in the coming years.

GIRLS FROSH/SOPH BASKETBALL

Standing: Miss Barron, Michele Barale, Diana Rodriguez, Marlene Castro, Tiffany Slater, Angelena DeLaCueva; Sitting: Patty Briones, Ester Lozano, Mona Villarreal

Coach Barron

The Frosh-Soph team had a year of learning experience. We had one returning player, Tiffany Slater. The little Comets won no games this year, but they improved 100%. The whole team was outstanding considering their lack of previous experience. The team worked hard each game, and by the end of the season remarkable improvement could be seen in each player. It was quite an experience for both players and Coach Barron. Coach Barron wishes to congratulate each player for the time and effort put forth. Good luck next year, little Comets.

GIRLS VARSITY BASKETBALL

This year's girls varsity basketball showed improvement over the past seasons by chalking up five victories. Monica Cooper was selected as the team's Most Valuable Player with Sandy Tanaka being chosen as the Best Defensive Player. Coach Wheeler is hopeful that the improvement shown by the team this year will carry over to next season and future seasons to lead to a winning tradition for girls basketball here at Lick.

The 1982-83 soccer season was amazing. It can be described best for its potential as opposed to the end result.

The team initiated league play with a devastating 6-3 victory over a top rated Silver Creek team but had to concede a 1-0 forfeit due to having five ineligible players on the field. From this point, on things got worse, with several other key losses of personnel for a variety of reasons. Still, in spite of the severe losses and resulting defeats in league play, our crew of young stalwarts stuck it out to the end and never gave up hope. Their cry was "wait 'til next year!" Our young freshmen and sophomores will be older, stronger, and wiser. Thanks must be given to Jorge Montes, the captain, who kept the team moving and without a doubt was the best all around player. Equally important were the teams fullbacks, Harold Berlin, Ted Garvey, and Mark Wilkerson.

The team shows great promise for the future. We have a solid core of freshmen and sophomores to build around. This year tested our mettle; next year will test our skill.

This year's soccer team finished the season with an overall record of 5-7-1. Christina Arena led the team in scoring with 15 goals in 13 games and was named to the All-League team. Jenny Davis' hard work earned her All League honorable mention honors. With the loss of only one player, team captain Julie Garvey, prospects for next year's team look very promising.

The 1983 wrestling team was one of the state's best. Pound for pound, Lick was the best in the MHAL. Although the league record was only 6-4, all of the losses were due to forfeits because most teams had thirteen weights represented and the Comets were only represented in seven. These "magnificent seven" wrestlers combined their talents to carry JL to a sixth place finish in the Central Coast Section and a tenth place finish in Northern California. Congratulations to our wrestlers and their dedicated coaches for a job well done.

The nucleus for this year's varsity baseball team is a group of five outstanding seniors. Ross Dorr, Jesse Guel, and Mike Ham have all played on the varsity since their sophomore year. They along with two other seniors, Alex Garcia and Chris Lasaca have given a great deal of time and effort to make the baseball program a continuing success and are the keys to Comet chances for a MHAL title. Coach Manny Rodriguez would like to express his appreciation of the efforts of these five young men and wishes them the best in the future.

The baseball program at Lick has been of high quality for many years. There have been numerous championships, tournament titles, and many, many outstanding players. One athlete of whom we are especially proud is Tony Castillo, a 1975 Lick grad, who was the first player in the history of the East Side Union High School District to play in the major leagues!

With only nine players on the team, the 1983 boys tennis team is small but mighty. Fortunately, in tennis the number of players is not as important as the quality of the athletes, and this team has quality! Returning players include Jim Ferguson, playing a strong #1 singles position; Danny Placzkowski at #2; Ted Garvey at #3; Juan Torres at #4; and Dominic Olgae and Hung Vu at #1 doubles. New to the Comet ladder this year are Khanh Nguyen at #5 singles and Loc Vo and Chris Davison, rounding off the team at 2nd doubles. With all the skill and experience possessed by these young athletes and the fine coaching of Patty Sordello, the outlook for the '83 season is very bright.

This year the Comet team has loads of talent but not much experience. Players who are back to help the team to winning season are Melisa Moss, Angela Booth, Penny Beebe, Jessica Reta, Leticia Archuleta, and Stacy Sangetta. New faces who are expected to be assets to the team are Rosemary Romero, Diana Rodriguez, Rosalinda Cortinez and Cindy Benevidez. Even with all the early season rain, the girls have put in hard practices and are looking forward to a great season.

Sitting: Jesse Hernandez, Rhett Zyla, Joel Harper, Leroy Chaves, Gary McClain, Jim Libby, Hugh Strachan, Graham Clark, Chris Young, Glen Adams, coach Keith Antes.

This year's varsity team features two outstanding sophomores, Henry Barba and Greg Machado. Henry, one of the top sprinters in the league, is also trying the low hurdles this year, and early session performances indicates he is going to be successful. Greg is one of the top miler and two milers in the league, and from early session performances, he also is expected to be one of the best in the Central Coast Section. The distance group, consisting of Sean Funston, Jesse Valenzuela, David Morales, Luis Matos, and Rhett Zyla, is expected to add many points to the Comet cause. In addition to the distance runners, sprinters Joel Harper, Henry Barba, Hugh Strachan, Tony Jump, and Manuel Barba should be keys to dual meet victories. Leroy Chavez, Glenn Adams, Jesse Hernandez, Carlos Bueno should also do well. Others expected to score points for the Comets are Manuel Barba, Carlos Bueno, Graham Clark and Chris Young.

This year's girls track team is very young and inexperienced. Strength seems to lie in the 400 and 800 meter runs, field events, and distance events. Coach Carty predicts that as the season progresses, that the team will improve in overall performance and develop good team spirit and togetherness.

BOYS SWIMMING

Coach Fred Harris

Unfortunately, because of the small number of swimmers participating this year, every event will not be able to be filled. However, success is predicted for those who are competing.

John Apodaca and Mark Wilkerson should be able to turn in some of the top times in the league and freestyler Scott Kirkman and diver Randy Diez are expected to place one or two against any team we face.

As is true of all Comets, Coach Harris and his swimmers approach this season with pride, determination and courage and will surely represent us well.

The swimming program at James Lick has a rich tradition of quality as evidenced by many league and individual titles. Two of Lick's most outstanding swimmers have been elected to the East Side Union High School District Hall of Fame. Gary Ilman, class of 1962, was a college All-American swimmer, a former world record holder, and the winner of two gold medals in the 1964 Olympics. Paul Halt, class of 1958, was a national swimming champion and an Olympic gold medalist in the medly relay in the 1960 games.

Third row: Renee Kauk, Dawn Silva, Mary Jane Peterson, Irene Slanovec, Heather Dabel, Linda Whitlach, Sara Faulkner, Patricia Tobias, Coach Karen Tallman.

With 20 members this season, the Girl's Swim Team will be the largest Lick has seen in many years. This looks to be a building season, as most of the girls are freshmen and sophomores, and almost all of them will be swimming competitively for the first time at Lick. Returning from last year are Gina Langone (Senior), Holly Tallman (Senior), Janine Rossi (Junior), Ruth Umstadd (Junior), and Mary Jane Peterson (Sophomore).

We look forward to outstanding swims from Holly Tallman in the butterfly; Ruth Umstadd, in the backstroke; Kristen Lehr, in the breaststroke; Mary Jane Peterson, Mona Villareal, and Angie Albert in the freestyle; and Gina Langone and Janine Rossi in the Individual Medley. Representing Lick in the diving events are Patricia Tobias and Linda Whitlach. In spite of the lack of experience, Coach Tallman predicts a good, strong season for the girl's team this year, and early season results seem to indicate that she is correct.

GOOD LUCK, MAC!

Loren McNichol was born on December 4, 1922, in Riverside, California. In 1944, after his graduation from Cal Poly, "Mac" joined the Navy and served on a mine sweeper in Japanese waters during World War II. Following his honorable discharge in 1946, Loren entered the field of education and came to James Lick in 1951.

Loren and his wife have two children, one of whom now is living in Panama. Mr. and Mrs. "Mac" have a ranch in Gilroy and often during the summer travel to their summer home in Clear Lake.

During his thirty two years at James Lick, Loren's teaching has been generally centered in mathematics and agriculture. He also has been the advisor of the FAA for many years. Mr. McNichol is retiring this year, and we, the members of the **Argus** staff, would like to thank this fine gentleman for his thirty-two years of dedication and service at James Lick and wish him the best in the future.

Mr. Donald Taylor was born in San Jose in 1925. A graduate of both San Jose State and Stanford, our principal began his teaching career at Orchard Elementary School in 1951 and later taught and coached at James Lick from 1955-1963. In 1963 he went to Samuel Ayer High School as an assistant principal and then became the principal of Overfelt in 1968. Following four years at Overfelt, Mr. Taylor returned to James Lick as principal in 1972.

Mr. Taylor and his wife Jackie have three sons, John, Mark, and Tom, all of whom are Lick graduates. In past summers, Mr. and Mrs. Taylor have enjoyed their cabin in Blue Lake Springs where they will now be living.

Our principal loves Lick and knows that leaving the students, faculty, and staff will be very difficult. We all will truly miss him because he has not been the type of principal that has merely sat behind a desk, isolated from the students, but instead was one who enjoyed being an active part in the lives of both students and faculty alike.

Mr. Taylor, thank you. Enjoy your well-earned retirement. We will always remember you very fondly.

WE LOVE YOU, MR. TAYLOR!

EDITOR'S NOTE

I hope that you enjoy the 1983 Argus. Much hard work and dedication was put into making this book. We, the staff, spent long hard hours, weekends and evenings creating each page, and working to meet deadlines, which seem to come so fast. We had many disagreements and problems throughout the year, but we always seem to work them out.

We hope this book reflects the "tradition of quality" of which we at James Lick are so very proud.

We, the staff, would like to give a special thanks to the following people:

The journalism class for helping us meet our deadlines,

Phil Silveira and Western School Portraits for taking many of the pictures,

Les Peterson for teaching us,

Mr. Rodriguez for taking many of the pictures,

Mr. Burrows for providing us with very useful information,

Galen Ramos for his art work,

Mr. Korbel for being there when needed, and

The student body for making the yearbook possible.

Years from now when you're thumbing through this yearbook, I hope this one will bring back some special memories of your years at James Lick High School.

Good Luck and Thank-You,
Your Editor-in-Chief,

Paige N. Fontaine
